Description

This well-maintained Garrison-style home offers space, flexibility, and thoughtful enhancements throughout. The upper level features four generously sized bedrooms, while the main level includes a room ideal for an office, guest room, or first floor bedroom for one level living.- bringing the total to five potential bedrooms above grade. The finished lower level adds expanded living space complete with a kitchenette area, large updated bathroom, laundry and a versatile bonus room ideal for a playroom, den, or guest suite. The home has been thoughtfully updated with custom details, including three renovated bathrooms featuring tiled showers, glass enclosures, and a jetted soaking tub. The kitchen offers white shaker cabinetry, stainless steel appliances, gas cooking, and a functional layout, complemented by dark hardwood flooring that adds warmth and contrast throughout the space. Sliding glass doors lead to the deck and patio, with a beautiful yard waiting for you to entertain.
