## Description

This is your opportunity to call this home! A show piece located in Walden Woods, where timeless design and quality craftsmanship come together in this impressive custom two-story home. From the moment you step into the expansive vaulted foyer, you'll appreciate the spacious layout and thoughtful details throughout. The main level offers exceptional versatility, featuring a formal living room and dining room, along with a comfortable family room complete with a wet bar-perfect for entertaining. The true showpiece of the home is the stunning four-season room, filled with natural light and offering a perfect place to relax year-round. The custom kitchen is equipped with quality cabinetry and built-in appliances, seamlessly connecting to the informal dining area and main floor laundry for everyday convenience. Step outside to enjoy the beautifully designed poured patio with a tranquil water feature-an ideal setting for outdoor gatherings. Upstairs, you'll find four bedrooms, including a vaulted and spacious primary suite with a private bath featuring double sinks, a large soaking tub, separate shower plus large walk-in closet. The additional bedrooms are generously sized and share a full bath with double sinks, while one bedroom with double doors with vaulted ceiling offers flexibility as a home office or library. The finished lower level provides even more living space with a large L-shaped family room and new carpet, along with ample storage and a roughed-in bathroom ready for future expansion. Car enthusiasts and hobbyists will love the extra-deep, oversized three-car garage with three separate doors-perfect for storing a boat, trailer, or all your recreational gear. The seller purchased a 1/3 of the neighboring lot to the south creating extra privacy and more yard space. The entire lot is beautifully landscaped including paver patio and walkways. Truly home for entertaining or just relaxing. Some of the photos are virtually staged and enhanced to demonstrate the opportunities of what someone could do with the home.
