Description

Situated within the exclusive guard-gated Cocoplum community, this striking waterfront contemporary estate by Choeff Levy Architecture offers 7,914 total SF on a 17,730 SF lot with approximately 100 feet of deep-water canal frontage and direct bay access. The 5-bedroom, 6-bath residence is defined by soaring double-height spaces, floor-to-ceiling impact glass, Venetian plaster walls, custom millwork, limestone floors, and seamless indoor-outdoor living. A dramatic floating entry over reflecting pools with sheer descent waterfalls leads to expansive social areas that open completely to the resort-style backyard through retractable glass walls. The chef's kitchen features an oversized porcelain island, custom cabinetry, and premium Gaggenau, Miele, and Sub-Zero appliances. The luxurious primary suite offers a private balcony, spa-inspired bath with freestanding soaking tub, oversized closets, and Sub-Zero refrigerator drawer. Additional highlights include a finished basement with office, gym, lounge, and home theater; elevator; Control4 smart home automation; Sonos audio throughout; whole-house generator with buried propane tank; and reverse osmosis water filtration. Outdoor amenities include a heated black-bottom edgeless pool with integrated spa, FireMagic summer kitchen, covered dining terraces, lush tropical landscaping, and a dock accommodating vessels up to 70 feet. Recent 2024-2025 updates include refreshed landscaping, redesigned pool deck, and updated guest suite.
