Description

Bordeaux/ Fondaudége - Charming Architect-Renovated Apartment with Peaceful Garden 118 m² - Set in a quiet environment, this apartment beautifully combines the charm of period features with the comfort of modern living. Fully renovated by an architect using high-quality materials, it offers refined finishes and a warm, elegant atmosphere. Original character details include wooden parquet flooring, decorative cement tiles, exposed stone walls, and a feature fireplace. The bespoke open-plan kitchen, fully fitted and equipped, flows seamlessly into a bright living area that opens onto a peaceful garden and terrace of approximately 40 m² — a true haven of tranquility. The night area comprises two children's bedrooms, a study, a bathroom with both bathtub and shower, and a master suite with its own private shower room. Additional features include air conditioning and double glazing for year-round comfort. A large cellar completes the property and offers various possibilities for additional storage or conversion.
