Description

Experience elevated High Desert living in this stunning brand-new construction home in Apple Valley. Situated on 1.598 acres and backing to a scenic mountain range, this exceptional property offers 2,674 square feet of thoughtfully designed living space with breathtaking views overlooking the valley and endless opportunities to create your dream outdoor retreat. Featuring 4 bedrooms, a dedicated office, and 3.5 bathrooms, the versatile floor plan is highlighted by two spacious primary suites, each with its own private bathroom, making it ideal for multigenerational living, guests, or added privacy. The heart of the home is the gorgeous open concept kitchen, designed for both everyday living and entertaining. A massive center island with a built-in sink anchors the space, while quartz countertops, abundant white cabinetry, a walk in pantry, recessed lighting, and extensive storage make this kitchen as functional as it is beautiful. Additional built-in cabinetry throughout the hallway and half bath provides even more storage while maintaining a cohesive, upscale design. Vaulted ceilings, large windows, and an abundance of natural light create a bright and airy atmosphere throughout the home. Ceramic wood look tile flooring flows through the main living areas, while plush carpet adds comfort to the bedrooms. Ceiling fans, central heating and air conditioning, and paid solar provide year-round comfort and energy efficiency. The main primary suite is a luxurious sanctuary with a dual sink vanity, large soaking tub, separate walk-in shower, and an expansive walk-in closet. The second suite offers direct access to the covered patio through sliding glass doors and includes a private bathroom with a walk-in shower and single sink vanity. Step outside to enjoy the large covered patio just off the dining area, where you can relax and take in the mountain and valley views. The oversized attached three-car garage and extra-long driveway provide ample parking and storage space. With nearly 1.6 acres of land, there's plenty of room to add a pool, workshop, ADU/guest house, or create the outdoor oasis you've always envisioned. Located in a desirable Apple Valley setting with wide open views and room to grow, this exceptional new construction home offers luxury, functionality, and endless possibilities in one remarkable package.
