Description

Welcome to this beautiful home on Sunnyvale Place! This spacious 5-bedroom, 2.5-bath residence offers approximately 2,320 sq ft of comfortable living space, thoughtfully designed for both everyday living and entertaining. The home features a formal living room, dining room, and a separate family room complete with a cozy pellet stove fireplace. The updated kitchen showcases granite countertops and modern finishes, perfect for any home chef. Enjoy the convenience of a downstairs bedroom with an adjacent half bath ideal for guests or a home office. Upstairs, you'll find a generously sized primary suite with a private bathroom and a skylight that fills the space with natural light. Additional upgrades include triple-pane windows, a whole house fan, hardwood flooring downstairs, newer carpet upstairs, and a new HVAC system installed in 2020. The home also features front security screen doors and a reverse osmosis system located in the garage. Outdoor and functional highlights include RV parking, a side garage suitable for a small boat or extra storage, and an impressive 18x19 air-conditioned shop in the backyard. Ideally located near schools, a hospital, shopping, restaurants, the outlets, and with easy access to I-80. Residents also enjoy access to a private park maintained by the HOA. Don't miss the opportunity to own this well-appointed home in a convenient and desirable location!
