Description

Step into a remarkable piece of American cultural history with this iconic Mid-Century residence, once home to legendary pin-up model and pioneering photographer Bunny Yeager. Thoughtfully restored in 2016 under the direction of an award-winning interior designer, the home preserves its architectural authenticity while seamlessly integrating modern systems & luxury finishes. Behind its original facade, the property has been comprehensively upgraded with new electrical and plumbing systems, HVAC, roof, trusses, & structural improvements-offering complete peace of mind without compromising its character. Designed for both intimate living & large-scale entertaining, the outdoor setting evokes timeless glamour. A classic kidney-shaped heated saltwater pool is framed by soaring 30-foot coconut palms, expansive entertaining areas, & a state-of-the-art gas grilling station. Whether hosting over 100 guests or enjoying peaceful mornings surrounded by tropical landscaping, the atmosphere is both private and captivating. This storied home has welcomed cultural icons including Hugh Hefner, Sammy Davis Jr., Bettie Page, & Larry King, adding a rare sense of provenance. Inside, refined interiors feature Snaidero Italian cabinetry, Sub-Zero, Wolf, Miele, Vent-A-Hood, and a bespoke La Cornue gas range, complemented by marble, natural stone, & designer fixtures throughout. A rare opportunity to own a fully restored architectural gem where history, design, & modern luxury converge.
