Description

Better than new - and move-in ready! This stunning 2020-built Berres Ridge home offers 5 bedrooms and 4 bathrooms within 3,561 square feet of thoughtfully designed living space in one of Lakeville's most sought-after neighborhoods, served by top-rated Lakeville ISD 194 schools with a park just steps away. The open main level impresses with a large center-island kitchen, walk-in pantry, and seamless flow to the living and dining areas. Work from home in the private main floor office, framed by elegant French doors. A practical mudroom connects the 3-car garage to a convenient adjacent powder bath. Upstairs, the luxurious primary suite features a spacious walk-in closet, joined by three additional bedrooms and a perfectly placed upper-level laundry room. Classic styling throughout with neutral finishes and crisp white enameled cabinetry. The finished lower level adds a guest bedroom, bath, and a generous amusement room - ideal for entertaining or play. Step outside to a flat, private backyard with a low-maintenance deck, stamped concrete patio, and basketball hoop. Recent upgrades include new gutters, water softener, window treatments, driveway reseal, landscaping, and freshly cleaned windows and carpets. This one checks every box.
