Description

Timeless elegance meets modern comfort in this beautifully updated Nantucket Colonial, perfectly nestled on a picturesque 0.24-acre lot on a quiet no-outlet street in the highly sought-after Interlachen Park neighborhood. Originally built in the 1930s and thoughtfully renovated throughout, this exceptional home beautifully preserves the character and craftsmanship that make homes of this era so special while seamlessly incorporating modern updates for today's lifestyle. Adding even more value and peace of mind, the home features a brand-new roof, updated water heater, updated modern windows, softener, driveway, refrigerator, new dryer in lower-level laundry space - and yes there are two laundry spaces for added convenience - and an attached 2-car garage equipped with two EV charging stations. Boasting 4 bedrooms, 3 bathrooms, and 2,725 square feet of beautifully designed living space, every room is filled with warmth, character, and abundant natural light. Gleaming hardwood floors, oversized windows, charming architectural details, and inviting gathering spaces create a light, airy coastal feel throughout. Whether hosting holiday dinners, gathering around the fireplace on winter evenings, or enjoying a quiet morning in the sunroom/office with French doors, the home was designed for both comfort and connection. The luxurious primary suite is a true retreat and one of the home's standout features, complete with a serene fireplace, skylights, generous closet space, a soaking tub, and a walk-in shower. Thoughtfully designed for relaxation and privacy, it is the perfect place to unwind at the end of the day. The finished lower level offers additional flexible living space ideal for movie nights, game days, or relaxing with family and friends. Lovingly maintained and thoughtfully improved, the home has undergone numerous major recent updates and big-ticket improvements, offering peace of mind and years of enjoyment to come. Beyond the home itself, Interlachen Park offers a rare sense of community and connection. Residents enjoy cherished neighborhood traditions including sleigh rides with Santa, holiday lantern and Christmas decorating festivities, Fourth of July celebrations and parades, and winter skating events on the neighborhood's private skating yard. It is the kind of neighborhood where friendships flourish, traditions are celebrated, and lasting memories are made. Homes in this historic and tightly held neighborhood are rarely available, making this a unique opportunity to become part of one of the area's most treasured communities. Located just moments from parks, trails, shopping, dining, Highways 100 and 169, Interlachen Country Club, Meadowbrook Golf Course, and within walking distance to The Blake School, this rare gem offers the perfect blend of character, community, convenience, and timeless appeal. Rarely does a home so seamlessly combine historic charm, modern comfort, and an exceptional neighborhood setting. This is more than a home - it is a place to put down roots and carry on the legacy of a truly special neighborhood for years to come.
