Description

Completely remodeled waterfront gem with direct access to the Peace River and beyond to Charlotte Harbor—this is Florida living at its finest! Situated on an oversized fenced lot with tropical landscaping that's on another level! The property has one of the coolest Gumbo Limbo trees outside of the Keys that provides shade without risk of damaging the house! There's an array of fruit trees including pomegranate, miracle berry, mango, avocado, papaya, guava, grapefruit, fig and lime! This property offers both space and style in a prime boating location, featuring an oversized dock perfect for accommodating larger vessels! Inside, the heart of the home is a stunning, fully updated kitchen designed for both everyday living and entertaining. Enjoy abundant cabinet space, brand-new stainless steel appliances including a wine fridge, and beautiful quartz countertops with both bar-height and counter-height seating options. The bathrooms are also updated with new soft close cabinets, quartz countertops, new sinks faucets and show heads. The home showcases luxury vinyl flooring throughout, hurricane shutters, NEW ROOF (2023) and hurricane rated garage door for peace of mind, fresh interior and exterior paint, and a freshly epoxied garage floor for a clean, polished finish. Whether you're relaxing indoors or enjoying the waterfront lifestyle outside on your screened lanai with additional brick paver patio beyond, this home checks every box—modern upgrades, generous space, unbeatable access to open water and room for a pool. A true move-in-ready waterfront retreat!
