Description

Welcome to a beautifully maintained and versatile Port Charlotte residence offering the perfect balance of comfort, flexibility, and long-term value. This spacious layout features 3 bedrooms, 3 bathrooms, and a large private bonus room with a walk-in closet: ideal as a fourth bedroom, home office, or guest retreat; providing multiple options for primary suite configurations and exceptional privacy for family or visitors. Designed for both everyday living and entertaining, the home opens through French doors to an expansive Florida Room complete with a pass-through bar from the kitchen; creating a seamless indoor-outdoor lifestyle. The fenced backyard is a true Florida oasis, featuring mature fruit trees, a patio, irrigation with a private well, and ample space to add a pool. A standout feature of this home is the whole-house solar energy system, thoughtfully designed to significantly reduce monthly utility costs and provide greater predictability in overall homeownership expenses; an increasingly valuable advantage in today's environment. Additional upgrades include a newer roof (2023) and freshly painted interior, offering peace of mind and move-in-ready convenience. Ideally located in Port Charlotte, this home provides convenient access to shopping, dining, everyday services, local businesses, and is just a short drive to Southwest Florida's beautiful Gulf beaches; placing the best of the area within easy reach. Offered turnkey furnished for immediate enjoyment, this is more than a home: it's a smart, efficient, and flexible lifestyle opportunity in one of Port Charlotte's most accessible locations.
