Description

Timeless cottage home in the heart of Wayzata, thoughtfully remodeled by Stonewood/Revision and showcasing exceptional craftsmanship, refined architectural details, and custom finishes throughout. The open-concept main level features a coffered ceiling, stone-surround gas fireplace with built-ins, and flows seamlessly into the remodeled kitchen with a waterfall island, custom cabinetry, and a spacious dining area. The upper level offers a beautifully remodeled owner's suite with a spa-like bath and custom built-in closet, along with three additional bedrooms-one easily used as a large bedroom, bonus room, or exercise space-and a convenient laundry room. The lower level includes in-floor heating and features a large family room with tile-surround gas fireplace, a spacious bedroom or exercise room, 3/4 bathroom, and a wine closet. Additional highlights include a concrete driveway, heated three-car garage, mudroom with extensive built-in storage, and integrated speaker system. Outdoor living spaces include an inviting front porch, a spacious composite deck, and a professionally landscaped yard with paver patio and walkways, pergola, fenced yard, and storage shed. Ideally located just steps from downtown Wayzata and Lake Minnetonka, with walkable access to upscale dining, boutique shopping, entertainment, trails, and Klapprich Park.
