## Description

New roof and gutters Installed May 2026! Tunnel Vision Trail runs just behind the property and a short distance to the New Oz Bike Park! This spacious 5-bedroom, 3-bath home featuring two living areas, a safe room, and two kitchens. The main level offers a large living room with a gas log fireplace, crown molding, wood flooring, and access to a wood deck. The kitchen includes granite countertops, ample cabinetry, and a large walk-in pantry. The primary suite features a tray ceiling, a spacious walk-in closet, and an en-suite bath with furniture-style cabinetry, granite countertops, dual shower heads, and tile finishes. Two additional bedrooms and a full guest bath are also located on the main level. Functional layout with generous living space and storage throughout. This beautiful home was built by Marris Construction!
