Description

Spectacular renovated from floor to ceiling, this 4-bedroom plus office 5-bath house showcases incomparable amazing amenities. Walls of glass overlook lush tropical grounds. Enjoy a state-of-the-art theater with a 133" screen, summer kitchen, 12-hole putting green, gorgeous pool deck with top-of-the-line lounge chairs, saline pool and spa, 2-car garage, and parking for 8-10 cars. Very modern Lutron automation system throughout the entire property, with remote monitoring from 13 security cameras. Additional upgrades include a diesel generator, three in-duct AC air purifiers, and speakers throughout the property.
