Description

Extensively remodeled in 2024, this turnkey view home offers five bedrooms, three bathrooms, a resort-style pool and spa, and approximately 3,010 square feet of beautifully updated living space in La Habra's desirable Country Hills East community. Enjoy picturesque hillside, treetop, and city-light views, a resort-style pool and spa, and a versatile floor plan featuring a main-level bedroom and full bathroom. The heart of the home is a spectacular chef's kitchen, thoughtfully redesigned with custom cabinetry, an oversized natural marble island, a six-burner professional range, stainless steel appliances, and designer lighting. Soaring two-story ceilings, a dramatic entry foyer, and custom wrought-iron staircase railings create a bright, open atmosphere, while large-format marble-look tile flooring downstairs and engineered wood flooring upstairs add warmth and sophistication throughout. The spacious primary suite serves as a private retreat, offering beautiful views, a spa-inspired bathroom with a soaking tub, glass-enclosed shower, dual vanities, and a generous walk-in closet. A separate family room with a remodeled fireplace and three beautifully renovated bathrooms further enhance the home's appeal. Step outside to a private backyard designed for both relaxation and entertaining, complete with a sparkling pool and spa. Additional features include a tankless water heater, water softener system, custom window coverings, and an attached three-car garage. Ideally located within the award-winning Fullerton Joint Union High School District and convenient to shopping, dining, parks, and major transportation routes, this turnkey home offers the perfect blend of style, comfort, and everyday functionality.
