Description

Nestled in sought-after South Newton, this well-maintained ranch style home offers an inviting & spacious layout ideal for comfortable living & entertaining. A large foyer opens to a gracious formal living room with fireplace, flowing into the dining room & family room with high ceilings & direct access to a private backyard deck. The bright, open kitchen features SS appliances, expansive windows, a breakfast nook, & beautiful views of the yard, with additional access to the deck for seamless indoor-outdoor living. The main level includes a generous primary suite with an updated en suite bath including double vanity, tiled shower, & jacuzzi tub, along with three additional bedrooms, a full bath, powder room, & a laundry room. The finished lower level provides excellent bonus space with a bedroom, full bath, & a large flexible area perfect for a playroom, gym, or media room, plus direct access to the two-car garage. Within close proximity to elementary, middle & high schools.
