Description

A Home Designed to Be Felt, Not Just Seen! Being sold fully furnished, Turn Key! Perfectly positioned and extensively renovated estate offers a rare combination of luxury, comfort, privacy, and modern convenience. Bathed in natural light through expansive impact windows and doors, the home showcases breathtaking views of manicured grounds and a resort-style heated saltwater pool. Every detail has been thoughtfully reimagined, from the designer lighting to the custom architectural finishes that create an atmosphere of timeless elegance. This is one of the most extraordinary opportunities in Windmill Ranch Estates. Nestled on approximately 1.37 private acres, this extensively renovated estate has been thoughtfully reimagined to deliver an unparalleled luxury lifestyle where every detail has already been considered. A grand arrival begins with an expanded brick-paver driveway, lush professional landscaping, custom impact front entry, and elegant exterior lighting. Inside, natural light pours through impact windows and doors, smooth-finish ceilings, designer lighting, custom window treatments, and beautifully reconfigured living spaces designed for both comfort and sophistication. The spectacular chef's kitchen serves as the heart of the home, featuring a Wolf 8-burner gas range, Thermador refrigerator and freezer columns, Bosch dishwasher, microwave drawer, custom cabinetry, handcrafted plaster hood, pot filler, and Zip Water system providing filtered, boiling or chilled water on demand. Designed for effortless entertaining, the family room and game room showcase custom built-ins, Samsung Frame TVs, a designer entertaining bar, Thermador refrigerator drawers, white oak architectural details, and multiple gathering spaces. The luxurious primary retreat offers custom cabinetry, designer finishes, spa-inspired dual baths with NEOREST TOTO smart toilets, steam system, custom dressing areas, and dedicated Trane climate control. Smart-home features include Control4 whole-home audio, enterprise-grade Aruba Wi-Fi, whole-house water filtration, 10-camera security system, RainBird smart irrigation, new Trane A/C systems, updated water heaters, and extensive infrastructure improvements. Outside, enjoy a heated saltwater pool, summer kitchen, guest house, upgraded outdoor living spaces, and resort-style grounds that create an atmosphere of privacy, relaxation, and effortless luxury. Rarely does a home combine this level of design, craftsmanship, technology, and lifestyle. This is more than a residence, it is one of Weston's most compelling luxury estates.
