## Description

5-bedroom, 3-bathroom custom-built home offering more than 3,200 finished square feet, ideally situated at the end of a quiet cul-de-sac on desirable Indian Point. Built in 2019 and nestled on a private, wooded half-acre lot, this exceptional property combines luxury, comfort, and natural beauty just minutes from Silver Lake, Lake Michigan, Saugatuck, and Douglas. Designed for both everyday living and entertaining, the open-concept main level is filled with natural light and inviting spaces. The spacious living room is anchored by a stunning gas fireplace, while the gourmet kitchen features a large center island with seating, professional-grade stainless steel appliances, abundant cabinetry, and quality finishes throughout. The main-floor primary suite serves as a luxurious retreat, complete with a spa-inspired bathroom featuring dual vanities, custom tile work, a walk-in shower, freestanding soaking tub, and a generous walk-in closet with a custom organization system. On the opposite side of the main level, two additional bedrooms and a full bathroom provide privacy and flexibility for guests. Main-floor laundry adds everyday convenience. The finished lower level expands the home's living space with a large recreation room centered around a second gas fireplace, along with two additional bedrooms, a full bathroom, and abundant storage. Outdoor living is equally impressive, featuring a welcoming covered front porch, a relaxing screened-in porch, and spacious patio areas overlooking the peaceful wooded surroundings.
