Description

Nestled among mature trees with breathtaking lake and wooded views, this spacious and conveniently located four-bedroom, four-bathroom townhome offers the perfect blend of luxury, comfort, and nature. Designed to impress in every season, the home features multiple outdoor living spaces including a maintenance-free deck and a walkout lower-level patio where you can enjoy peaceful water views on the Lake, views of nature and wildlife year-round, and the serene views of a truly magical wooded garden setting, what we like to call the "Woods Garden." Inside, soaring vaulted ceilings and walls of windows flood the home with natural light while showcasing stunning treetop, woods garden and lake views throughout. From the moment you enter, you'll appreciate the spacious entryway and the separate mudroom-style area featuring a built-in bench with hooks, offering both convenience and stylish everyday functionality. Rich, maple wood floors, multiple fireplaces, and tasteful modern updates create a warm yet elevated atmosphere perfect for both everyday living and spectacular entertaining. The thoughtfully designed layout offers a better-than-new-construction spacious feeling floor plan with exceptional flow and openness throughout the home. The beautifully updated kitchen is sure to impress with stunning granite countertops, abundant cabinetry, and appliances that will not disappoint. Thoughtfully designed with both functionality and high end, luxury style in mind, the kitchen flows seamlessly into the inviting living and dining spaces. Retreat to the luxurious primary suite - a true private oasis - complete with its own cozy fireplace, jetted soaking tub, separate shower, walk-in closet, and tranquil views that make every day feel like a getaway. All bedrooms are generously sized, offering incredible flexibility and plenty of space for visitors, private offices, workout or gym areas, hobbies, and more. Architectural details throughout the home further elevate the experience, including significant, luxurious, wrought iron railings, an open catwalk that beautifully overlook the main living spaces below. These striking design elements enhance the home's airy ambiance while adding character, sophistication, and a dramatic sense of connection throughout the upper level. These two distinct and spacious areas provide exceptional organization and welcoming comfort for daily living and entertaining alike. With spacious living areas, incredible natural surroundings, and an unbeatable combination of comfort and convenience, this exceptional townhome offers a rare opportunity to enjoy upscale living immersed in nature. Be sure to see the nearby shopping, restaurants, sought-after schools, scenic walking trails, beautiful parks, and multiple nearby lakes that make this location so desirable, along with the extensive list of exceptional improvements and updates completed throughout the sellers' ownership. 2021, New HVAC, water heater. 2022, Radon mitigation system installed 2023, upgraded water softener with whole home, water filtration system.
