Description

Nestled in Plymouth's sought-after Churchill Farms neighborhood, this beautifully maintained 5-bed, 4-bath home offers the timeless design, quality-construction, and spacious living spaces that have made the community so desirable. Set on a mature lot overlooking a scenic pond, the home combines elegant architecture with a functional floor plan designed for both everyday living and entertaining. A quality build by Lundgren Brothers-abundant natural light fills the home, highlighting the soaring two-story great room with fireplace and inviting gathering spaces. The kitchen features maple cabinetry, wood floors, a center island, and newer double oven, microwave, and dishwasher. Convenient main-floor laundry and half bath add everyday functionality. Upstairs, the private owner's suite offers a walk-in closet, dual vanities, a jetted tub, and separate shower. A dual-staircase design creates exceptional flow throughout the home. The finished lower level with walkout expands the living space with high ceilings, a spacious family room, fifth bedroom, full bath, and abundant storage-ideal for guests or recreation. Enjoy beautiful pond views from the large deck and patio surrounded by mature landscaping and gardens. Improvements include a freshly painted interior, newly stained deck, replaced furnace, water heater, and toilets. Shared amenities: tennis and basketball courts, park, playground. Located in the award-winning Wayzata School District near parks, trails, shopping, dining, and major commuter routes.
