Description

This well-maintained two-story home is set in a high-demand neighborhood and offers a comfortable, functional layout designed for everyday living. Enjoy the convenience of being just a short walk to the elementary school, neighborhood parks, and nearby amenities. Hardwood floors extend through the foyer, dining room, and kitchen, creating a warm and cohesive feel. The kitchen features abundant oak cabinetry, granite countertops, a center island, and an informal dining area, along with a separate formal dining room. An oversized main floor family room is the heart of the home, complete with a gas fireplace. The main floor also includes a convenient laundry room with a utility sink. The upper level offers three bedrooms, including a spacious vaulted primary suite with a private bath featuring a jetted tub, separate shower, dual sinks, and two walk-in closets. An additional full bath serves the remaining bedrooms. The finished lower level adds valuable living space with a fourth bedroom, a bathroom, and a large family room featuring a wood-burning fireplace, built-in cabinets, and bookshelves. An additional versatile room provides flexibility for a playroom, hobby space, or home gym. Exterior features include a concrete driveway, updated landscaping (2025), a patio with pergola, and new seamless gutters (2025). Additional updates include fresh paint, updated light fixtures, a furnace (2023), and Andersen windows (approximately 2011-2016).
