Description

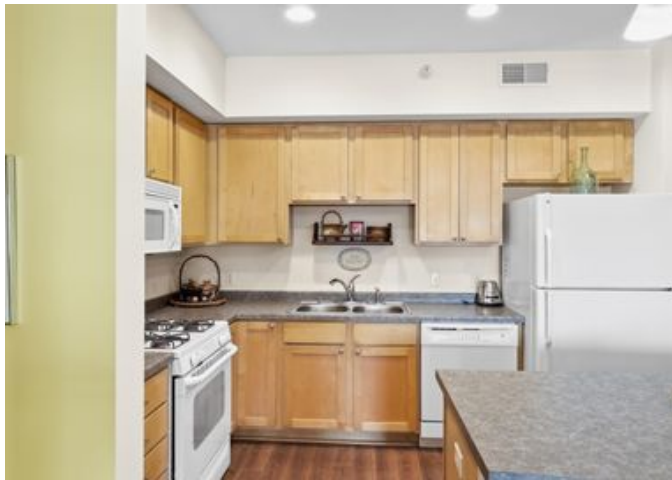

Perched on the top floor of the Midtown Exchange Condos, this bright and spacious unit offers comfortable living in one of Minneapolis' most vibrant locations. With over 1,100 square feet, the thoughtfully designed layout features two generous bedrooms, two full bathrooms, and an open living area that makes everyday living and entertaining easy. The kitchen flows seamlessly into the dining and living space, creating a welcoming central hub of the home. Large windows bring in natural light while the private balcony provides a relaxing spot to enjoy fresh air and views of the nearby park. The primary suite includes a walk-through closet and private bath, while the second bedroom and additional full bathroom provide flexibility for guests, roommates, or a home office. An assigned underground parking space adds year-round convenience, and the secure building offers elevator access and comfortable city living. In-unit laundry makes everyday life here a breeze. One of the standout features for this building is the incredible connectivity. Residents enjoy tunnel access to the renowned Midtown Global Market and skyway connections to nearby medical campuses, making dining, shopping, and commuting easy in every season. The Midtown Greenway and surrounding parks are also just minutes away for outdoor recreation. If you've been looking for a well-located condo with space, convenience, and true urban accessibility, this one is worth a look. Schedule your private showing today.
