Description

This charming Janis-Built "Glencove" model has been lovingly cared for by its second owner for the past 41 years and has not been on the market since 1985. The home welcomes you with a foyer entry leading to a sunken living room, and a bright kitchen with a breakfast bar that opens to the family room. The one-car garage (12.6' x 24') includes the laundry area for added convenience. Major updates include a 2011 metal roof, complete impact windows and doors, a 2024 A/C system, upgraded electrical panel, and updated water lines. Beautiful terrazzo flooring and carpeting add warmth and character throughout. Light and natural sunshine fill the interior all day. The home sits comfortably off the street and offers a spacious, tropical backyard with room for a pool. Enjoy a 39' x 12' covered and screened terrace, perfect for afternoon BBQs and gatherings with family and friends. Located on a quiet, no-through street and in a No Flood Zone, this home is ready for your personal touches to make it your own oasis.
