Description

St. Ann Pilgrims Lodge is a magnificent 73 acre estate, nestled in the scenic hills of St Ann. At the heart of the property sits an elegant Estate House surrounded by lush landscapes and the natural beauty that makes this part of Jamaica so special. The front yard features a modern swimming pool perfectly positioned to take advantage of the spectacular views of the Caribbean Sea. Rich with a variety of fruit trees, the property is both productive and picturesque. Practical amenities include a 40,000 gallon water tank, ensuring a reliable water supply as well as separate staff accommodations. Additionally with its extensive acreage and prime location, just 15 minutes from Ocho Rios, the property offers outstanding potential for a developer seeking to establish a housing estate enjoying the benefits of a peaceful countryside setting and convenient access to the town's amenities and attractions. Combining natural beauty, modern comforts, and expansive acreage, Pilgrim's Lodge presents a rare opportunity to own a truly exceptional Jamaican Estate.
