Description

Welcome to this beautifully updated single-story Montebello home situated on an expansive lot with endless possibilities. Blending timeless charm with modern upgrades, this residence offers comfortable living today and exciting potential for the future. Step inside to a spacious living room highlighted by a classic fireplace, abundant natural light, and durable flooring that flows throughout the home. The updated kitchen features quartz-style countertops, custom wood cabinetry, modern fixtures, stainless appliances, and ample storage, creating a warm and functional space for everyday living. The home offers generously sized bedrooms with large windows, ceiling fans, and ample closet space. Both bathrooms have been thoughtfully remodeled with contemporary vanities, updated fixtures, and stylish finishes. An indoor laundry area adds convenience and practicality. Outside, you'll find one of the property's most impressive features—an oversized backyard with mature fruit trees, open space for entertaining, gardening, recreation, or future expansion. The detached garage, long driveway, and additional outbuilding provide excellent storage or workshop space. Additional highlights include updated flooring, dual-pane windows, modern lighting, mini-split heating and cooling systems, fresh interior finishes, and a spacious lot rarely found at this price point.
