Description

Property Features: Asprogia Villa is situated in the quiet rural village of Asprogia which can be found in the hills of Paphos Forest. This detached 4 bedroom property is within walking distance of the village and set on a gentle hillside offering beautiful countryside views. To ensure that the property blends with the surrounding landscape, it has been designed using traditional features such as exterior stone finishes and solid wood doors. The villa, although designed in a traditional Cypriot style, has all the modern conveniences you would expect from a new build property and includes individual private swimming pool set and a private Church in the enormous sized garden. This hillside location means that the property maintains privacy. Set on a country lane, this property will have a very quiet existence, which is further enhanced by the designated garden. Although this property is an ideal location for those wishing to escape to the country, it is within easy reach of Pafos town by a short car journey of 30Km and therefore offers the best of both worlds in one excellent location. Location 35km to Coastline 22km to 18-Hole Golf Course 33km to Pafos Town 46km to Pafos International Airport
