Description

Come experience Storks Nest, a quiet, dead-end road leading to State Land and the trailhead of the Dutcher Notch Hiking Trail. This 15.4 acres of mature forest (consisting of 4 separate parcels) has a beautiful trout stream with waterfalls, gorgeous mountain views, and borders 100 acres of land conservancy. This home is a matchless retreat featuring three bedrooms and two full baths. The primary bath has a spa-style soaking tub and steam shower with heated floors. The mirrors are lighted with LEDs and are able to defog. A custom, one-of-a-kind chandelier over the tub was designed for Bergdorf Goodman! An open concept living area is made for entertaining and large windows frame a view of Little Round Top Mountain. The chef's kitchen includes a counter-deep Fisher & Paykel French door refrigerator, two-zone wine chiller, Kohler pot filler over the professional six-burner Capital stove with oversized hood, and a top shelf Bosch dishwasher. A woodstove in the living room keeps the whole house toasty and is a joy to sit beside when it's snowing. Central air keeps the whole house cool in summer. Walk through French doors from the great room to multi-level decks which have been thoughtfully designed with a hot tub on the lower level, hidden from living room window views. Upstairs, near the primary bedroom, is a screened in porch that feels like a treehouse. An antique copper lighting fixture illuminates the evenings. Below the porch is a potting shed lit by an old lantern from an old Hudson River boat, and featuring antique stained glass windows. This home has Anderson Windows and Pella doors, a 600' deep well, brand new roof and a heated two car garage wired for an electric car charger. And, a whole house generator provides peace of mind. Main Street Cairo is just 10 minutes away with its large, modern, grocery store, two fabulous bakeries, espresso at The Red Star Cafe and beer on tap at Old Factory Brewing Company. You'll be less than 30 Minutes to the Amtrak station in Hudson, 20 to Main Street Catskill, 25 minutes to Ski in Windham, and 30 to Hunter Mountain. Come to where you can really see the stars, enjoy the sun rising over the mountains and be surrounded by mountain beauty and peace with every modern comfort. Don't miss the opportunity to own this one-of-a-kind property in the highly desirable hamlet of Round Top! A 3D Walkthrough Tour is available in the digital Lookbook or by request.
