Description

Charming 5 Bedroom Villa with Sea Views, Pool and Gardens near Albufeira Albufeira Albufeira e Olhos de Água Vale Navio Situated in an elevated position in Vale Navio, just east of Albufeira, this exclusive 5-bedroom villa enjoys wonderful views over the countryside and towards the ocean, which can be appreciated from the garden, lounge, two of the bedrooms, and the roof terrace. The property sits on a generous plot of over 3,200 m², surrounded by mature trees, native vegetation, and a swimming pool, offering both privacy and tranquillity while being only a few minutes' drive from Albufeira town centre, golf courses, and several stunning beaches. On the ground floor, a spacious entrance hall with a beautiful staircase leads into a large lounge featuring the original floor-to-ceiling wooden sliding windows. From here, you can enjoy spectacular views over the garden and the sea. A fireplace adds comfort and character, and the lounge opens onto a covered south-facing terrace with a fitted barbecue and direct access to the garden. The fully fitted kitchen is also located on this level, along with three bedrooms: one suite with direct exterior access (former maid's room), and two additional bedrooms that share a large bathroom. Both open onto the garden, and one enjoys sea views. A guest WC completes the ground floor. The first floor offers two further bedrooms and two bathrooms, one of which has been converted into a laundry room. The south facing bedroom benefits from breathtaking ocean views, while a spacious landing provides flexibility for use as a home office, TV room, or reading area. From here, access to the roof terrace reveals truly panoramic views across the Algarve coastline. Built in the 1970s, the villa is in its original condition and well maintained, yet it offers an excellent opportunity for modernisation to meet contemporary standards of comfort and design. Additional features include a triple garage, extensive gardens with mature planting, and multiple outdoor spaces ideal for enjoying the Algarve's sunny climate. This property is brought to the market exclusively by Cerro Novo Properties. Since 1981, we have been helping clients find their perfect home in the Algarve.
