## Description

Every exceptional home has a feeling the moment you arrive. This one begins in the garden. Surrounded by a lush botanical landscape rarely found in Weston, this residence offers a peaceful retreat where mature trees and curated gardens create an atmosphere of privacy and tranquility. Morning sunlight filters through the foliage, filling the interiors with warmth and reminding you that luxury is often found in life's simplest moments. New kitchen, featuring new quartz counter tops, white cabinetry, stainless steel appliances, and an open layout. Installed new recessed LED lighting throughout the home, with dimmer switches for adjustable brightness in each area. Fresh interior paint, beautifully renovated bathrooms, new flooring throughout every bedroom, and elegant contemporary lighting fixtures complete a home that feels entirely renewed. The single-story Whitewater model offers 4 bedrooms, 3 bathrooms, seamlessly connecting indoor elegance with outdoor serenity. Plantation and accordion shutters provide both style and peace of mind, while the corner lot offers privacy and space to enjoy the surrounding gardens. Located within the prestigious guard-gated community of The Isles at Weston, residents enjoy resort-style amenities including a clubhouse, fitness center, swimming pool, basketball and tennis courts, playgrounds, and scenic walking paths. Zoned for Weston's award-winning schools: Manatee Bay Elementary, Falcon Cove Middle & Cypress Bay High.
