Description

Project Description: ONE is the tallest residential tower of its kind in the center of Limassol that is recognizable from anywhere in the city. ONE creates a new category of luxury, which provides an extraordinary expression of pure pleasure of vision, space, light and quality. The apartments have been ingeniously designed with an uninterrupted flow between one side of the tower and the other, offering the views to the effervescent Mediterranean Sea, the view of the city and the distant Troodos Mountains. The residents of this stunning tower can enjoy all the advantages of esteemed hotel service in the comfortable embrace of a secure and private residence. You will enjoy the exclusive access to exceptional amenities, facilities and service, such as SPA, the large pool, voluminous sun decks, planted terraces, bar with panoramic views, state-of-the-art fitness centre and charismatic restaurant. ONE delivers luxury into the lives of its occupants without compromising the life of the planet. The building's orientation and shape, use of daylight, ventilation, shading, shell insulation and water recycling all provide opportunities to innovate. By integrating sustainability into the design, the energy consumption and use of resources are uncommonly low. Respect is the foundation of design.

Property Description: Occupying the 25th residential level (physically 30th level of the project) this stunning 3 bedroom apartment offers stunning views to the Mediterranean Sea and to the City. The 270° views through magnificent full-height windows or from the outdoor balconies area what makes you feel like you are staying in heaven. The remarkable furniture making it a superior residential area, the double-height atriums, the open-plan grace and radiant finishes define the residence's superior quality.
