Description

Ideally located on Place d'Iena, close to Shangri-La, this 216 m² reception apartment is on the 2nd floor of a beautiful Haussmannian building. Directly accessible by an indoor elevator, the apartment, which is crossing, has been exceptionally renovated. It opens onto an entrance gallery with a checkerboard marble floor, a large reception living room surrounded by a continuous balcony, open to a fully equipped Saint Laurent marble kitchen. The sleeping area consists of two master suites with dressing rooms and bathrooms, as well as a third south-facing bedroom with its private bathroom. (possibilità di creare una quarta camera) Flooded with light thanks to its large windows and remarkable ceiling height of 3.8 meters, the apartment is fully air-conditioned. Furniture and equipment are of high quality. Versailles parquet, moldings, and bourgeois fireplaces. Agency fees payable by vendor
