The spacious layout features a formal living room with an elegant fireplace, a spacious formal dining room with French doors to the backyard, a dedicated office, and an expansive great room with a fireplace that serves as its architectural focal point anchored by a beautifully remodeled chef's kitchen. The luxurious main-level primary suite offers comfort and privacy, complete with an incredible oversized walk-in closet designed to impress with abundant storage and boutique-style space, French doors to the backyard and a private fireplace. There is an additional bedroom suite on the main floor with a sitting area and a separate entrance.
