Description

An exceptional Freehold townhouse situated in one of Chelsea's most prestigious and sought-after garden squares. This elegant property spans approximately 2,889 sq. ft. (268.4 sq. m.) across five beautifully appointed floors, seamlessly blending classic period architecture with luxurious, contemporary interior design. This magnificent Grade II listed period townhouse offers an abundance of light, grand volumes, and versatile living spaces. Having recently undergone an extensive yet deeply sensitive refurbishment, the home perfectly balances its protected heritage status with the demands of modern luxury living. The ground floor welcomes you with an elegant dining room featuring a classic sash window with views over the leafy surroundings, alongside a highly contemporary kitchen. The first floor is dedicated to a striking formal reception room, where soaring ceilings and twin French doors open out to Juliette balconies, flooding the room with natural light. The upper levels house the principal bedroom suites, including a luxurious primary bedroom that encompasses the entire second floor, complete with a beautifully appointed modern en-suite bathroom. Situation Brompton Square is a premier residential address located on the borders of Chelsea and Knightsbridge. This highly desirable location offers immediate access to the world-class shopping, boutiques, and fine dining of Knightsbridge, Sloane Street, and the King's Road. The open green spaces of Hyde Park are just a short walk away, while nearby South Kensington and Knightsbridge underground stations provide superb transport links across London. Property Ref Number: HAM-65145 Additional Information The interiors have been meticulously designed to a flawless contemporary standard, showcasing a sensitive marriage between the building's historic bones and modern finishes. Features include beautiful hardwood flooring in the main reception areas, crisp minimalist plasterwork, and state-of-the-art lighting. The bathrooms are a statement of luxury, utilizing freestanding soaking tubs, floating double vanities, and premium neutral stone tiling. Each bedroom is a serene sanctuary, offering plush carpeting, generous proportions, and clever integrated storage.
