Description

Please note this property cannot be viewed until September 2026 because it is currently occupied by tenants High above the greens of Miraflores, this penthouse feels like a private retreat suspended between the sky and the golf course. Its position within one of the area's most sought-after complexes gives it a sense of exclusivity, while the gentle walk to the clubhouse keeps the social heart of the community close at hand. The interior unfolds with an easy, modern flow. Sunlight moves through the lounge and into a sleek, fully fitted kitchen, creating a bright central space for everyday living. Three bedrooms offer generous proportions, with the main suite enjoying its own bathroom, and a second full bathroom serving the rest of the home. What truly defines this property is the extraordinary terrace — a vast 174-square-metre expanse that becomes an outdoor living room in its own right. There is also an additional 18-square-metre terrace accessed directly from the bathroom, a private outdoor space that currently accommodates a jacuzzi and offers yet another corner of the home to unwind and enjoy the climate. From quiet mornings overlooking the fairways to evenings spent entertaining under open skies, it is a space that transforms the way you experience the home. Practical details are well covered, with two underground parking spaces, a storage room, and an additional spot for a golf buggy, making life here as effortless as it is enjoyable. The complex itself enhances the lifestyle further. A large pool sits among mature gardens that feel calm and established, while the onsite sauna & gym adds convenience for those who like to stay active without leaving the community. For anyone drawn to the Costa del Sol for its light, its leisure, and its relaxed sophistication, this penthouse offers a rare combination of space, views, and location — a place where the best parts of Miraflores & Mijas Costa living come together naturally. A property that must be seen to fully appreciate, contact us to arrange a viewing.
