Description

Beautifully renovated 2-bed + mezzanine, 94m², private parking, superb location. - This beautifully appointed two-bedroom apartment stands out for its exceptional attention to detail and thoughtfully optimised layout combining style, comfort and practicality throughout. The versatile mezzanine, with bespoke storage and a luxurious wool carpet, can serve as an additional sleeping area, cosy TV snug or home office. Reclaimed wood, quality timber flooring with underfloor heating, and elegant, timeless bathrooms create a warm yet refined alpine atmosphere. The fully equipped open-plan kitchen overlooks the dining area and inviting lounge, where a designer fireplace adds both ambience and warmth after a day in the mountains. Additional features include a private ski locker with cellar storage and an outdoor parking space. Finished in 2024, this intimate residence of just eight apartments offers a lift and high-quality acoustic flooring in communal areas. With excellent energy performance and a prime location in Les Allues, this is a rare opportunity for a stylish retreat.
