Description

A semi detached three bedroom, two bathroom property located just 5 minutes drive outside of Mojacar Playa. Just outside of the Macenas golf resort and a short drive into the quaint hamlet of Sopalmo, this property offers the tranquility of a quiet setting whilst being close to all amenities. The property is within a gated community of 4 properties, there are no communal charges as the owner of each property looks after and cares for their plot and property. The house has a private parking space for 2 vehicles and small garden directly in front. To the entrance of the property is a covered terrace which provides an excellent dining space and views of the mountains and small chapel which sits on the hill in front. Internally the property is in pristine condition whilst offering a traditional Spanish design with wooden finishes and terracotta floor tiles. The downstairs has a very open plan style with the lounge, dining room and kitchen being one big open space. The kitchen has a great selection of wall cabinets for storage as well as including electric appliances which have all been replaced in 2026. Through the lounge on the far side you will find a full size family shower room and the first double bedroom which comes with fitted wardrobes and a stable wooden door leading out to the rear patio. This room is currently used as a second lounge but is ideal for guests and anyone who needs ground floor. The open staircase in the lounge leads to the upper floor where there is the second double bedroom with fitted wardrobes and a private south facing terrace, the second family size shower room and the third and largest double bedroom with fitted wardrobes and patio doors out onto a large terrace. A unique property in a fantastic location!
