Description

Rarely does a home like this come to market! Wake up every day to serene canal views, launch your boat from your private dock, and enjoy unrestricted access to open water with no fixed bridges. This exceptional 3-bedroom, 3-bathroom townhome with a 1-car garage offers the perfect blend of waterfront living, privacy, and convenience. Soaring 18-foot ceilings flood the home with natural light, creating an open, airy atmosphere that feels both spacious and inviting. Enjoy breathtaking sunsets from the expansive waterfront deck-the perfect place to relax, entertain, or simply watch the world drift by. Two private balconies provide additional spaces to unwind and embrace the tranquil surroundings. Nestled within an intimate gated community of only 10 townhomes, this hidden gem is located on a quiet cul-de-sac street, offering peace, privacy, and a true neighborhood feel. Outdoor enthusiasts will love the nearby walking, jogging, and biking routes, while guests will appreciate the convenient guest parking. Inside, you'll find attractive laminate wood flooring, updated bathrooms, and a modern kitchen featuring stainless steel appliances. The thoughtful layout combines comfort with low-maintenance living, allowing more time to enjoy the waterfront lifestyle you've always dreamed of. For qualified buyers, low down payment financing options may be available, making ownership even more attainable. With its rare combination of canal-front location, private boat dock, no fixed bridges, sunset views, spacious design, and boutique gated setting, this is truly a one-of-a-kind opportunity. There is simply nothing else like it on the market. Includes 12 month boat doc rental up to 30 ft Live where every day feels like a vacation.
