Description

Affordable, spacious home in centrally located City of Miami neighborhood. Built as a spacious 3/2 of over 2000 square feet in 1977. So this isn't your typical small Miami home with add ons, this is a generous home, for a family to live comfortably under air. Home has some updates, as you can see by the lovely remodeled kitchen. Entire house has original white stone marble floors, which can still work well with today's tastes. There are still many things waiting to be customized to your taste, so you can really make it your own. The roof is only 3 years old, as per owner and the property is on sewer. Price already reflects updates that are still needed. Call Listing Agent, for showing instructions. Easy access to the 836 expressway and airport. 5 minutes to Coral Gables, 1/2 hour to Brickell & Downtown Miami.
