Description

Prime Property in The Somerset Lifestyle & Retirement Village Seeff Somerset West is proud to market this prestigious home in the sought after retirement complex The Somerset. This luxury retirement complex is aimed at the over 50's who wish to retire in comfort, surrounded by top class security, amenities and a host of facilities. This inviting and extremely well-maintained residence has been designed with care and top-class finishes. At the heart of this welcoming home are the expansive living areas with an extremely spacious lounge, lovely high ceilings, an open plan dining area and a pellet burning fireplace spreading warmth on chilly winter evenings. The kitchen comes with centre island, Caesar stone counter tops, ample cupboards, and an Iive six burner stove, perfect for entertaining with family and friends. A large separate sun room with glass stacking doors offers a calm space to relax, explore the garden and enjoy the magnificent views of the bay. Adjacent to the living areas are the bedrooms, offering a secluded retreat. With underfloor heating, both have en-suite bathrooms with excellent finishes. Heated towel rails, large showers and a slipper bath make this the perfect place to unwind. The East facing study is filled with light and comes with warm laminate flooring. There is a private patio overlooking the garden and heated swimming pool. The extra-large garage has additional cupboards, plenty of packing space, and a corner for the laundry appliances. This home is equipped with a Sunsynk Hybrid 5 kw inverter. Please call Pat to arrange your viewing of this lovely home.
