Description

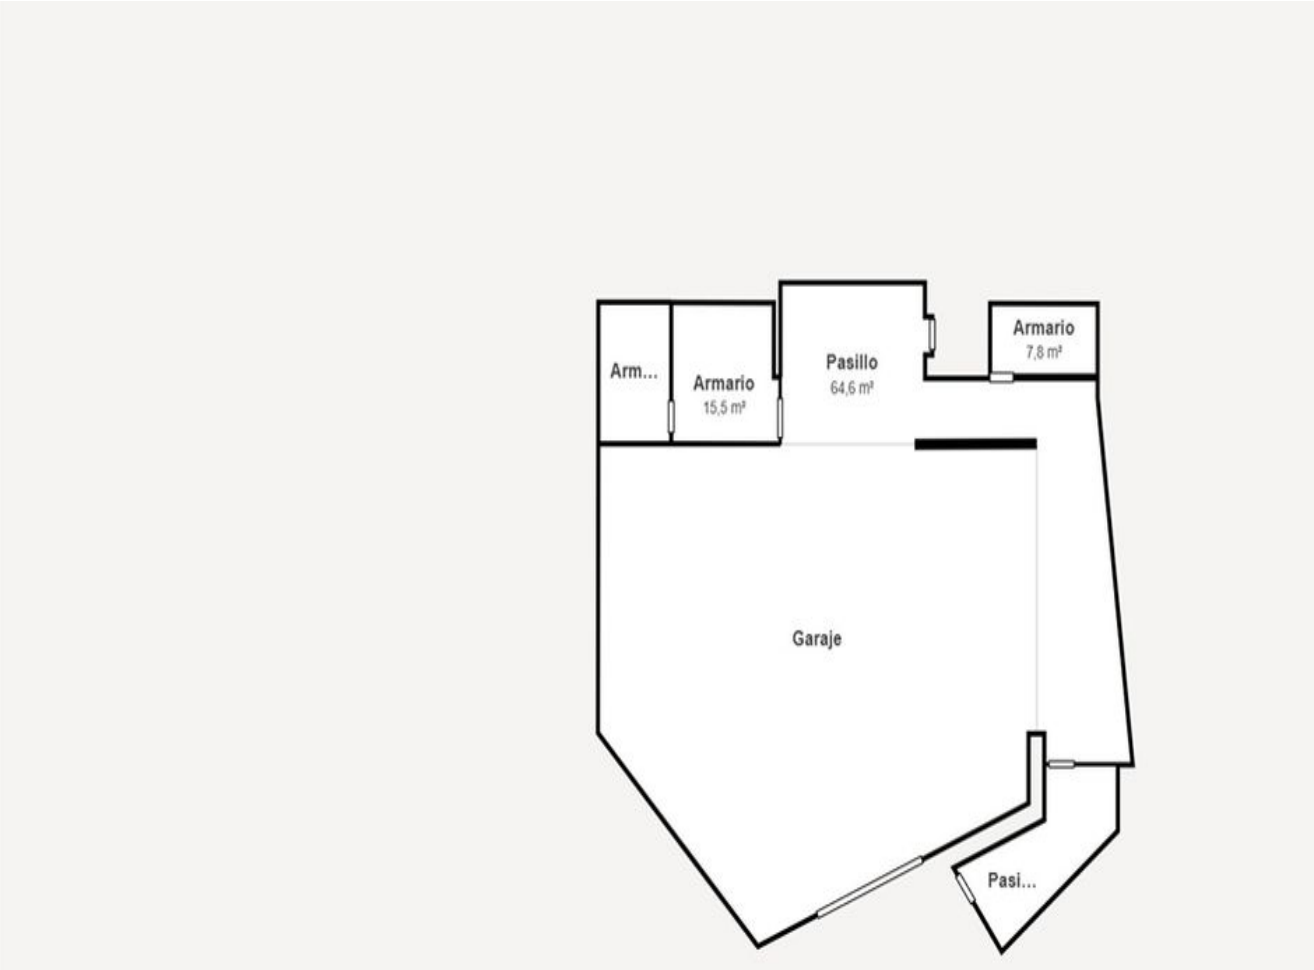

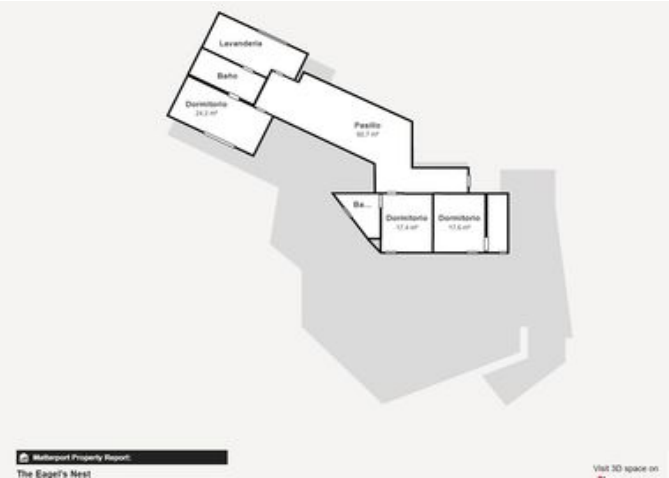

An extraordinary mountain sanctuary where architecture, privacy and panoramic living converge. Perched in one of Andorra's most prestigious residential enclaves, The Eagle's Nest is a spectacular contemporary estate offering an unrivalled lifestyle in the heart of Sispony. La Massana. Completed in 2024 and commanding a privileged south-west orientation, this exceptional residence enjoys all-day sunshine, absolute tranquility and breathtaking mountain surroundings. With almost 1,000m² of meticulously designed living space, this architectural masterpiece has been created for those who demand the very highest standards of luxury, comfort and privacy. Arranged across four floors and connected by elevator. The property features five beautifully appointed bedrooms, including three luxurious en-suite suites, complemented by five bathrooms and two guest cloakrooms. Expansive living and entertaining areas from the heart of the residence, with a magnificent open-plan living and dining room centred around a statement fireplace and framed by large windows. The home boasts a fully equipped designer kitchen, an impressive wine cellar, dedicated laundry facilities and a versatile multipurpose room. Exceptional wellness and leisure amenities. Residents can enjoy a stunning indoor swimming pool and private spa area, whilst a dedicated 10-seat home cinema creates the perfect setting for exclusive movie nights. Outside, over 742m² of landscaped gardens and terraces provide multiple spaces for relaxation and entertaining, including a superb outdoor barbecue area. The lower levels accommodate an impressive eight-car garage, offering secure storage for prestigious vehicle collections. Built with a commitment to sustainability and efficiency, The Eagle's Nest incorporates state-of-the-art aerothermal heating, solar photovoltaic technology, advanced security windows and premium construction throughout, ensuring exceptional comfort and energy performance year-round. The Eagle's Nest represents a rare opportunity to acquire a truly impressive mountain residence. IMPORTANT: Some of the photos have undergone modifications using AI.
