Description

Stunning open-concept residence with top-of-the-line finishes and exceptional custom upgrades throughout. Situated on a highly desirable corner lot, this 4-bedroom, 3-bathroom home offers refined luxury living. Grand front doors open to a light-filled layout with high ceilings and direct views of the newly renovated pool and spa. The main living areas feature Italian 48" 48" Calacatta porcelain flooring, creating a sophisticated, seamless look. At the center of the home, the modern kitchen impresses with double waterfall-edge countertops and sweeping views of the lush backyard, creating an ideal setting for both everyday living and entertaining. A formal dining room complements the space, perfect for elegant gatherings. The bedrooms feature warm wood floors, while the primary suite offers custom-built walk-in closets and a spa-inspired master bathroom. Outdoor living is elevated by the newly renovated pool and spa, new landscaping, low-maintenance synthetic turf, and a fully equipped covered outdoor kitchen. The 3-car garage features double-height ceilings and can accommodate three lifts, providing storage for up to six vehicles, along with built-in storage.
