Description

Rarely available single-story lakefront residence in Seven Bridges. Offering 5 bedrooms, 5.5 baths and nearly 4,000 square feet of living space, this Charleston Grande combines the ease of one-level living with the scale, privacy and amenities expected in one of Delray Beach's premier gated communities. Set along the lake, the home features an open, light-filled floor plan with volume ceilings, impact windows and doors, and a desirable split-bedroom layout. The spacious kitchen is finished with stacked white cabinetry, quartz countertops, an extended breakfast counter, glass-tile backsplash and abundant storage, opening seamlessly to the home's main living and entertaining areas. The primary suite is privately positioned and complemented by a generously appointed bath with dual vanities, separate tub and shower and upgraded finishes. Split floor plan, Four additional bedrooms provide exceptional flexibility for guests, a home office, movie theatre or fitness space. Outside, the residence opens to a private pool and expansive patio overlooking the lake, creating an ideal setting for both everyday South Florida living and entertaining. A three-car garage completes the home and circular driveway which allows to park six cars. Located within Seven Bridges, residents enjoy an exceptional resort- lifestyle with a full-service clubhouse, fitness facilities, pools, tennis, pickleball courts, basketball, and an extensive collection of recreational amenities. For buyers seeking a substantial five-bedroom home in Seven Bridges without the compromises of a two-story floor plan, 16740 Strasbourg Lane is a particularly rare opportunity.
