Description

Enjoy island living in this spacious 2-bedroom, 2-bath residence at the coveted Commodore Club. Featuring impact windows/doors, a beautifully remodeled open-concept kitchen with sleek quartz countertops, an oversized peninsula with waterfall edge, and stainless steel appliances. A wide private terrace overlooks lush tropical gardens with a peek of the ocean, creating the perfect setting to enjoy sunsets and relaxed island evenings. The spacious primary suite features an ensuite bath and custom built-in cabinetry. The second bedroom has been thoughtfully reconfigured into two separate sleeping areas with an easily removable partition wall, custom built-in desks, and a large shared reach-in closet. While the kitchen has already been tastefully updated, the residence offers an excellent opportunity for a new owner to personalize the bedrooms and bathrooms to their own style. Unit comes with one assigned parking spot. Laundry facilities on each floor (no in-unit washer dryer). Commodore Club offers resort-style amenities including direct beach access, a heated pool, tennis courts, fitness center, sauna, party room, onsite management, front desk concierge, 24-hour security, and more. A great opportunity to enjoy the Key Biscayne lifestyle with a renovated kitchen, generous living spaces, and the ability to make the rest of the residence your own.
