Description

Your Forever Family Home Starts Here Set on nearly 2000sqm of established, manicured grounds, this exceptional lodge-inspired residence in the heart of Craighall presents a rare offering of privacy, scale, and serene natural surrounds. Positioned discreetly down a private panhandle and secured within a manned boomed enclosure, the home enjoys an enviable outlook across a lush, forested garden and protected river frontage. Tiered landscaping, a decked pool terrace, and expansive outdoor entertainment areas evoke a tranquil, retreat-like ambience seldom found in the city. Designed with effortless indoor-outdoor living in mind, the home's dual reception rooms and central kitchen extend seamlessly onto a North-facing, covered entertainment deck complete with a built-in bar and sparkling pool, creating an inviting space equally suited to relaxed family living and sophisticated year-round entertaining. Accommodation comprises four generously proportioned bedrooms and four-and-a-half bathrooms, complemented by a well-appointed kitchen with separate scullery and dedicated laundry. A versatile music room or executive work-from-home space further enhances the home's adaptable living offering. A spacious, studio-style flatlet with kitchenette, bathroom, private entrance, and its own covered parking presents ideal accommodation for guests, extended family, or potential rental income. Additional features include double automated garaging, two Hollywood-style covered parking bays, CCTV surveillance, and an internal alarm system, all set within a private, secure, and picturesque environment.
