Description

St. CatherineA substantial 6-acre parcel of commercial land in Bridgeport, St. Catherine, offering an excellent opportunity for investors, developers and businesses seeking space for a sizeable commercial development. The property is strategically positioned within an established and expanding community, with convenient access to major roadways connecting Bridgeport, Spanish Town, Portmore and Kingston. The generous land area provides flexibility for a range of commercial uses, subject to planning and statutory approvals, including a shopping or commercial centre, warehouse and distribution facility, automotive-related business, institutional development or other large-scale ventures. With continued commercial activity and development across the St. Catherine corridor, this property offers the scale and location to accommodate a significant investment. Call today to explore the development potential of this commercial site.
