Book an appointment today!Twyford Park is a truly unique new development in West London, where contemporary living meets historic parkland. Set within the London Borough of Ealing, one of the city's greenest boroughs, this sensitively designed neighbourhood of apartments and houses has been crafted around the grounds of the original Grade II Listed Twyford Manor House, breathing new life into a hidden green haven.Each home is finished to an exceptional standard, with Amtico walnut-effect herringbone flooring and underfloor heating to the living space, carpeted bedrooms and a fitted wardrobe to the principal bedroom. The Shaker-style handleless kitchen features a full suite of integrated Bosch appliances, while the bathroom is finished with porcelain tiling, a thermostatic overhead shower and a heated towel rail. Bronze ironmongery, recessed LED spotlights and double glazing complete the specification.Many apartments enjoy balconies with elevated views over the landscaped gardens and mature protected trees. Residents benefit from lifts to all floors, a secure door entry system, post boxes and cycle storage, with parking available by separate negotiation subject to availability.Beyond the front door lie acres of mature greenery, open lawns and a dedicated play area, with the restored Walled Garden at its heart: sandy pathways framed by wildflowers and fruit trees, and communal tables in the grow garden. A distinctive, characterful neighbourhood with a genuine sense of retreat.OutsideEach home at Twyford Park is surrounded by 13 acres of beautiful parkland and enjoys full access to the restored Walled Garden, and with every property also benefiting from its own private outdoor space, whether a terrace or balcony, there's no shortage of places to enjoy the fresh air.SituationTwyford Park sits in a well-connected corner of West London, offering the rare combination of a peaceful, green setting with outstanding access to the city and beyond.Getting Around Four stations are within a mile of the development, giving residents easy access to five lines, the Elizabeth, Central, Piccadilly, Bakerloo and Overground.
