Description

St. AnnSet directly along the coastline in the heart of Ocho Rios, this two-level condominium at Fisherman’s Point offers an exceptional foothold in one of the North Coast’s most walkable and established beachfront enclaves. The layout delivers the spatial separation of a classic townhouse, dividing social spaces from private quarters with ease. On the entry level, an open-concept living and dining area connects to a functional kitchen and opens onto a private balcony, welcoming natural Caribbean cross-breezes and views across the resort grounds. Upstairs, two well-proportioned bedrooms provide peaceful retreats, tucked away from the main entertaining space. While the unit retains its original, vintage finishes, its architectural footprint and solid concrete construction offer a clean canvas for a contemporary redesign. A thoughtful interior refresh would effortlessly elevate this space into a chic coastal apartment, unlocking substantial value in an area renowned for robust short-term rental demand. Residents and guests enjoy direct access to Ocho Rios Bay Beach, manicured tropical grounds, a freshwater swimming pool, and gated on-site parking. Positioned just steps from Island Village
